Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

CHOICE LARGE CENTS

- 1—1793 S-1, **CHAIN AMERI.**, very fair, weak date as usual. **SCARCE.**
Lists \$50 good.
- 2—1793 S-5, **WREATH, VINE AND BARS**, very fine, tiny edge nick.
\$140.
- 3—1793 S-9, **WREATH, VINE AND BARS**, extremely fine. \$250.
- 4—1793 S-11b, **WREATH, LETTERED EDGE**, two leaves on edge, very good, sharp. Dr. Sheldon states "Much scarcer than the single leaf variation." \$60.
- 5—1793 S-12, **LIBERTY CAP**, obverse very good at top down to good at bottom, reverse "United States of America" and fraction sharp but "One Cent" and most of wreath gone. Dr. Sheldon states "The central part is raised or elevated so that One Cent, a considerable part of the left wreath, and some of the inner leaves of the right wreath are always weak. If the coin is a little worn, these parts are in many instances entirely gone. Probably twenty are known, and among these I can recall only four instances in which One Cent could fairly be called legible. In all other cases the center is so obliterated that you could read the words only by knowing that they are there." \$150.
- 6—1793 S-14, **LIBERTY CAP with cracked die**, very fine and sharp, well centered. Originally bought as extremely fine. Dr. Sheldon states "Prohibitively rare in the higher grades of condition. Only two of this variety in better than very fine are known to me and one was sold to ANS." \$750.
- 7—1793 S-16, **LIBERTY CAP**, leaf under ME parallel, very good. Dr. Sheldon states that he has seen only seven and knows of two more by rumor. The best specimen known is fine and is in the ANS. The second best is about very good and was sold in 1945 at \$225. The owner of this specimen claims that it is the third finest specimen. This we can neither confirm or deny since we have not seen the above numerated specimens. With the increased interest in large cents we would not be surprised to see this outstanding rarity bring \$250.

- 15—1798 S-167, Large 8, very fine. Scarce. \$17.50.

PROOF SMALL CENTS

- 528—1856 FLYING EAGLE, BRILLIANT PROOF GEM, THE FINEST SPECIMEN OF THIS POPULAR RARITY THAT WE HAVE SEEN. THE OWNER HAS IT MARKED \$300 WHICH IS POSSIBLY THE PRICE HE PAID FOR IT. While it may or may not be worth \$300 in this remarkably choice state of preservation, it is definitely an outstanding rarity so choice. We have been searching for years for a gem for one of our customers and have been unsuccessful. The new owner should derive a great deal of pleasure and satisfaction as did the present owner is displaying and owning it.

We checked back on some of the "sleepers" and underpriced coins which we called attention to five and ten years ago and are indeed gratified that nearly all have sharply increased in value. Information, from which we come to the conclusion that coins are underpriced, is taken from the results of our auctions. This is based upon the number of bidders on a particular lot and the frequency of its appearance over the years.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You In Mind. If you have any suggestions, complaints, compliments (yes we receive one now and then) we want to hear them. Having cataloged over one hundred successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know it all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

INFORMATION PLEASE

A number of collectors write or phone us each month regarding more detailed information concerning specific lots and their values. This service is available to everyone. Remember, we act as your personal agent in trying to secure the lot for your account as much below your bid as possible. The values placed after each lot are merely a guide based upon catalog values, private sales and prices realized at previous auctions. A great deal of research goes into keeping our files on values up-to-date. The values placed after each lot are only a guide as higher or lower prices may prevail. **BID WHATEVER YOU FEEL THE COIN IS WORTH TO YOU.**
